SUMMARY

Backend developer with 1 year of hands-on experience building internal enterprise systems at Encardio-Rite Pvt. Ltd. Worked as a Software Apprentice under senior developer guidance, contributing to REST API development, database design, and system integration using Laravel and PHP. Actively building React skills to grow into full stack development. Seeking a backend role where I can contribute from day one.

TECHNICAL SKILLS

Backend: PHP (Laravel), REST APIs, OOP, Sanctum Authentication

Databases: MySQL, PostgreSQL, ERD Design

Tools & Platforms: Docker, Postman, Azure DevOps, Keycloak, VS Code, Cursor, Wiki.js

Frontend (Basic): React, JavaScript, TypeScript, HTML, CSS.

EXPERIENCE

Encardio-Rite Pvt. Ltd.

Lucknow

Software Apprentice – Edge of Technology (R&D Dept)

Jan 2025 – Jan 2026

Sensor Calibration Management System

- Developed backend modules and workflow automation for an internal calibration management application.
- Improved calibration consistency and operational efficiency through automated processing workflows.
- Designed and managed database structures for calibration records and reporting.

Internal Financial Dashboard

- Developed REST APIs and backend functionalities for financial reporting and data management.
- Implemented pagination, filtering, and secure data access features.
- Integrated Keycloak-based authentication and role-based access control.

Additional Contributions

- Worked with Docker-based development environments.
- Assisted in database design, backend testing, and technical documentation.

Zidio Development

Remote

Full-Stack Developer Intern

Aug 2024 – Oct 2024

- Worked on web application development, debugging, testing, & feature implementation.
- Gained practical experience in frontend-backend-database integration and deployment workflows.

Education

B.Tech in Computer Science & Engineering

Dr. A.P.J. Abdul Kalam Technical University
(AKTU)

Graduated: July 2024 • CGPA: 7.66 / 10

Certifications

- NATS Software Apprentice — Encardio-Rite
- Web Development Internship — Zidio
- Web Dev & Job Preparation — Internshala
